YOUR SAFARI IN THE SABI SANDS PRIVATE GAME RESERVE IN SOUTH AFRICA

About Sabi Sands Private Game Reserve

The Sabi Sands is South Africa's premier private game viewing destination. It was here that the southern African safari began and today this famous reserve offers exceptional game viewing and equally exceptional accommodations. Two perennial rivers, the Sabi and the Sand flow through this Game Park, sustaining the diverse fauna and flora of the area.

The success of leopard viewing within the Sabi Sands is legendary. Elephants, lion, rhino, buffalo, cheetah, giraffe, zebra and a vast variety of antelope and other species can be closely observed in their natural environment.
Option: Singita Ebony

The new Singita Ebony Lodge, located on the Sand River in the Singita Sabi Sand reserve offers a contemporary take on the classic safari lodge, combining tented camp and bush lodge style. The lodge comprises 12 suites, each with its own private plunge pool. Inspired by the romance and adventure of tented camps and explorers' abodes, the external walls have been almost completely removed and replaced by canvas and glass to create safari tent-style suites to maximise views, and to allow guests to be immersed in nature. Outdoor pavilion decks – ideal for dining and relaxing – are suspended off the river banks as if hanging in the trees.

Option: Singita Boulders Lodge

Singita Boulders Lodge is found on the boulder-strewn banks of the Sand River within the Sabi Sand Reserve. With its glass walls and open-air spaces the lodge provides a continuous connection with the prolific wildlife and birdlife for which Sabi Sand is so well known. Each suite has an ensuite bedroom, private sitting room and game viewing deck with private plunge pool overlooking the untouched wilderness. Rustic, handmade furnishings made from fossilised tree stumps, slabs of solid stone, wrought iron and leather are balanced with the soft, sensual feeling of sheepskin rugs and natural flax bed linen. Lodge facilities include a spa, a gym, a swimming pool and The Singita Boutique & Gallery and Premier Wine Boutique.

Option: Singita Castleton, Private Use Camp

Set in the heart of the Sabi Sand Reserve, Singita Castleton is a private and intimate lodge featuring six individual cottages complemented by a swimming pool, wine cellar, gym, tennis court and spa. Living spaces extend outdoors onto broad verandas overlooking a watering hole where animals gather to drink. Reminiscent of an African farmhouse, richly detailed interiors in a neutral palette contrast with traditional tartans and classic prints creating an unbuttoned, lived-in appeal. In this idyllic lodge setting, gracious service from a staff that includes a private guide, tracker, chef, and housekeeper is finely tuned to the dictates and desires of each and every guest.

YOUR PERSONAL SAFARI SPECIALIST

Nicky Mears

Over the years I’ve worked in both travel and sales. Combining the two at Art of Safari has created the ultimate happy space for me, and I feel so fortunate that my job is also my passion. My only resistance to wild places is that I’m wary of creepy-crawlies, but luxury lodges generally have lovely mosquito nets, and bug spray.

WHY I THINK YOU’LL LOVE AFRICA

There’s no place like Africa. Once it gets into your pores, it stays with you. The vast open spaces – filled with wild sights, sounds and smells – remind us how much we’ve strayed from nature. This paired with the local culture and joie de vivre makes being in Africa a deeply connecting experience, unlike any other. It’s also humbling to witness wild animals in close proximity, in their natural habitat.

HOW I HELP CREATE YOUR DREAM SAFARI

I help you transform the rough sketch of your dream safari into a nuanced artwork, matching your fantasies with the very real luxury experiences Africa has to offer. Through attentive conversations, meticulous planning and negotiated bookings, I’ll create and gift wrap the perfect luxury safari for you – one you’ll never forget!

MY TOP SAFARI TRAVEL TIPS

Pack an extra pair of reading glasses or specs, you’ll want to see everything clearly at all times! And find out what socket type your destination has, and invest in an adapter that will work for your electronics (although many lodges provide charging stations, it’s handy to have your own). Finally, a swimming costume is a must – most lodges have stunning pools where you can relax and cool off.

IMPORTANT POINTS TO NOTE

SUBJECT TO AVAILABILITY & LODGE DEMAND

- No accommodation is being held, all bookings are **subject to availability** at the time of booking.
- **Demand for lodge accommodation in South Africa is high over this period, we strongly suggest that bookings are made as soon as possible to secure available accommodation.**

LODGE OPTIONS

- Quotes provided are based on lodges that currently show available rooms. Should these not be available at the time of booking, Art of Safari will look for other options that may be available and provide quotes on a case by case basis.

FAMILIES AND CHILDREN

- A safari with children is an amazing experience, and we have provided some indication of the options and pricing for families with children, but there is a huge variation in child rates, options, and restrictions at game lodges. We therefore suggest that we consult for family bookings on a case by case basis to find the best solution based on family size, and ages of children.

FULLY INCLUSIVE

- The quotes below are fully inclusive itineraries from your Cape Town Hotel, to your safari destination and back to Cape Town International airport.

ADDITIONS & EXTENSIONS

- Art of Safari is available to book any additions or extensions to your safari or your stay in Cape Town, please discuss with us at the time of booking your safari should you be interested.
